JUNE 2019

Dear All,

Commemorating Shakespeare's birthday by our version of the Globe Theatre performances by students of classes 5 to 7 was indeed a splendid experience. Students had a lot of fun in this journey of preparation, getting into the character, rehearsing their lines, dressing up in character-specific costumes and getting assessed in Literature in an unconventional manner. It was amazing to see our young learners perform fearlessly on stage, bringing to life Shakespeare's characters from his famous plays. As the performers were on stage, class 8 held a special bake sale off-stage, the proceeds of which had gone to our CS charity that very day.

The younger learners were not left behind as class 5 enjoyed a day out at ISD to watch their theatre performances, while classes 1 and 2 students embraced nature by celebrating Earth Day within school premises as they planted trees in recycled containers.

Our 'O' Level students were already handed over their statements of entries and will already be sitting for their exams as this goes to print, followed by their Graduation Ceremony. A milestone, the first of its kind, to be reached soon so seeking everyone's wishes and prayers.

With the month of Ramadan looming ahead of us, we hope that you optimally utilize this break and prepare for your upcoming final exams to be held at the end of the academic year. Revisions will take place right after classes resume to help you prepare even better. Here's to wishing everyone a happy Eid!

## SHAKESPEARE AT CGSD

Our students in classes 5 to 7 had an amazing time acting out scenes from some of Shakespeare's plays. A scene from 'The Taming of The Shrew' is staged above and seated below, the group of actors who performed his famous 'Romeo and Juliet'. The performances were assessed and contributed to their Literature grades for the year.

As part of our strategy to change assessment at CGSD this exercise brought out hidden talents amongst students and built their confidence. Amazingly many of the ones who struggled with written assessments excelled on stage as they brought to life the words of the Bard. Art teachers painted a spectacular backdrop imitating the original Globe Theatre in Stratford Upon Avon.
