September 2019

Dear Parents,

Our Head of Lower School, Shenaz Poonawalla has taken a sabbatical this year to devote more time to some health challenges in her family.

The Lower School has a strong team and together with new appointments in leadership roles we will be able to address all your concerns. Rizoana Chowdhury, Nafisa Hossain and newcomer, Rasha Tariq have all been appointed as Counsellors in Lower School. They will be devoted to ensuring standards are not only maintained, but uplifted with an injection of new energy and teaching methodologies.

In addition to meeting you as and when required, we have a robust programme of faculty training, special programmes to involve parents, differentiated instruction to engage all types of learners and new and improved subjects in our curriculum, including Enrichment studies, Islamiat and Moral Studies.

Our Core team also has new appointees who will have a strong presence in Lower School to observe classes, support teacher training and appraisals and help with events and programmes.

Our experienced admin team who are your first point of contact are always available to ensure you are well served and all your queries are addressed.

In late September I hope to meet all of you for a seminar, titled 'Raising and Educating Gen Z' where we will look into how we can best nurture and educate this new generation.

We look forward to your cooperation as always.

Shereen Isphani,  
Director of Academics.
