AUGUST 2019

Dear Students, Parents, Teachers and Staff,
A hearty welcome to yet another new school year at CGSD Primary and Secondary for the academic session 2019-2020! Hope you have all enjoyed your summer holidays connecting to friends and families within and across the borders and have been able to cross out something from your bucket lists. As you were all out holidaying, the school teams of admins and staffs have been working relentlessly to refurbish the campus and engage into different trainings over the summer.

As we welcome the 'O' Level Batch of 2032 in our Playgroup, we wish all those little angels the very best in this wonderful journey of school life. I'm sure the refurbished areas of Playgroup and Nursery will add more value to the existing team at Primary. As Secondary begins its new journey in the new campus, we are very excited to offer a whole range of facilities to our students and teachers at the bigger campus with so much space in hand.

As we greatly look forward to the new session, we embrace the theme of the session '**Fearless Future Forward**' for the whole of 2019-20. Let us all embrace the future with renewed energy to conquer even newer challenges. With technology at our doorsteps, we are very excited about launching our ERP within the Autumn Term, the test runs of which are already under way.

As the drill goes, the new session will begin with Faculty induction week and Book Days at both campuses, followed by school commencement at Primary. There will be staggered commencement days at Secondary which will be notified to all the parents and teachers closer to date. The Promotion Ceremony for class 6 will be then followed by Parents' Inductions before wrapping up August.

Let's leave our fears and prejudices behind as we step into a fearless future forward!
