SEPTEMBER 2019

Dear Parents,

As we tread into September, we are indeed humbled to receive the feedback of our students who have expressed such positive feelings about the campus refurbishment works at Primary and the completely new campus in Banani for Secondary, see details below.

While the first week of September educates us on Gen Z and the kinds of children we are realistically dealing with, the monthly theme allows us to count our small blessings and express our gratitude to all throughout the year, especially on World Gratitude Day. As students gradually settle in, we invite our parents for the class-specific parents' inductions as well as the Awards ceremony of CGSD Secondary. Looking forward to see everyone at our scheduled school events.
