Dear Students

You are now on study leave and are expected to revise on your own. Make a revision schedule for yourself to help pace yourself. On examination days be calm and think clearly. Do not panic, write neatly and clearly in legible handwriting. Bring flask of water with you and all the pens and pencils you will need. Bring colored pens, markers and pencils for your Bangladesh Studies paper– 2 examination as you will need to do map work.

Work hard and Good Luck!

From all of your class 9 teachers
