

CLASS NOTES

Class 11 - May 2026

Dear Students

You are now on study leave and should begin revising independently, though support will still be available. Each teacher has a weekly slot for consultation, so feel free to reach out if you need help. Plan a revision schedule to manage your time effectively. If you find any difficult topics, come and clarify them with us.

You are well prepared for your AS Level examinations. Stay calm, think clearly, and pace yourself during the exams. Leave time at the end to review your answers, as this may help improve your grade. Bring a watch, a flask of water, and all necessary stationery. Do not panic—write neatly and clearly.

Work hard and good luck!

From all of your class 11 teachers
