

CLASS NOTES

Class 12 - May 2026

Dear Students,

You are now on study leave and should continue your revision independently. Support is still available, and each teacher has a weekly consultation slot, so feel free to reach out whenever you need help or clarification.

Please prepare a clear revision schedule to manage your time well and cover all subjects effectively. If you find any difficult topics, come and discuss them with us.

You are well prepared for your A Level exams. Stay calm, manage your time wisely, and leave a few minutes at the end to review your answers. Bring a watch, water, and all necessary stationery to the exam hall.

Stay focused, do your best, and good luck!

From all of your class 12 teachers
