April 2025

Dear Parents,

At CGS, we are committed to fostering an environment of mutual respect, collaboration, and open communication. To ensure that all grievances or concerns are addressed effectively, we have a clear process in place.

Parents with complaints are encouraged to follow the formal channels: Diary Notes, School Office Contact, Email Communication, and One-to-One Meetings. These steps help us address your concerns systematically and ensure a timely resolution.

We have, however, observed some instances where parents tend to communicate with teachers or administration staff in a manner that lacks respect or professionalism. Additionally, champion teachers receive calls or messages beyond their working hours for requests that could easily be addressed through the school diary or office the next day. We kindly request all parents to respect the personal time of our staff and adhere to the school's communication protocols. Our policies and rules are designed with the safety, well-being, and equality of all students in mind. While we always strive to provide services keeping parental convenience in focus, the priority will always remain on what is best for our students.

We urge parents to approach any rule or policy with an open and positive mindset, seeking to understand the rationale behind it before challenging it.

By working together respectfully and constructively, we can maintain a healthy, supportive environment that benefits our children's growth and development. Let's continue to collaborate in creating a school community we can all be proud of.

Wishing you all Happy Ramadan and Eid Mubarak!  
Rasha Tariq

April 2025

Dear Reader,

As we embark on another exciting month, I would like to take a moment to reflect on the importance of cultivating habits that contribute to both academic success and personal well-being.

A productive day begins with waking up early, a practice that not only maximizes time but also instills a sense of discipline and purpose. Starting the day by tidying one's bed may seem small but it fosters responsibility and sets a positive tone for the hours ahead.

A wholesome breakfast is essential to fuel the mind and body, ensuring students are energized and ready to engage in their lessons. Regular attendance is equally critical, as consistent participation in school activities is the cornerstone of academic progress.

With ongoing assessments, it is important to allocate dedicated study hours each evening, balancing preparation with limited gadget time to minimize distractions. Beyond the classroom, outdoor activities play a vital role in maintaining physical health, boosting creativity and providing a refreshing break from studies.

An early dinner allows proper digestion and relaxation, creating space for a calming evening routine that includes reading books or newspapers to expand knowledge and perspectives. Equally important is prioritizing sleep- adequate rest is fundamental to cognitive function, memory retention and overall health.

Finally, weekends should be a time to unwind and recharge, whether through hobbies, family time or simply relaxing. By embracing these habits, students can strike a harmonious balance between academic rigor and personal growth, setting the stage for a successful and fulfilling term ahead.

April 2025

Dear Parents and Students,

As we celebrate the joyous occasion of Eid-ul-Fitr, we extend our heartfelt wishes to all of you. Eid Mubarak! May this special time bring peace, happiness, and prosperity to you and your loved ones. Eid is a moment of gratitude and reflection, reminding us to cherish the blessings we have and the strong bonds that unite our school community.

Looking ahead, we are excited about the upcoming Pohela Baishakh carnival in April! This vibrant celebration of the Bengali New Year is a time of cultural pride, joy, and togetherness. The event will feature traditional performances, music, delicious food, and exciting activities, reflecting the rich heritage of Bengal. It is a cherished annual tradition, and we eagerly look forward to celebrating with all of you.

While we embrace these festivities, we also acknowledge the dedication, resilience, and determination of our students. With O' Level exams approaching, we extend our best wishes to those preparing for this crucial milestone. Stay focused, manage your time wisely, and trust in your preparation. Challenges are a part of the journey, and your hard work will surely lead to success. Remember to take breaks, stay positive, and seek support whenever needed.

May this season bring joy, inspiration, and motivation. We are incredibly proud of each of you and look forward to an exciting term ahead. Let us celebrate, support one another, and continue striving for excellence in all that we do. Best of luck to you all!

Best Regards,

Faiza Chowdhury
